Youth & Family Enrichment Program

Youth and Family Enrichment program celebrated the end of summer with a hunting trip to the mountains where the youth got a chance to hunt. They caught a couple of deer. The youth really enjoyed learning the process of hunting and will enjoy the celebration of their catch. The youth also enjoyed trips to the lake, especially the fishing. We closed out summer camp with a Coastal Jam in honor of Mauna Kea.

Youth and Family Enrichment staff also enjoyed assisting with the Back to School Bash. We are looking forward to the start of the new school year! Look out for our awesome and exciting events coming this fall!

Check us out online at www.tulalipyouthservices.com or stop in and visit after school.

Things to look for: Color Run, Trick or Treat at the Youth Center, Haunted Outing & Pumpkin Carving. (See Page 4 for additional Youth information.)

Josh Fryberg
Tutorial/Homework Support

The Tutorial/Homework Support Program’s Summer School program was very successful. We look forward to the upcoming 2019-20 school year.

The STEM ROBOTICS WEEK Program was presented this past August by Matt and Kathy C. In a follow-up note from Matt & Kathy, they stated that "Each child has a unique gift that is theirs alone which is meant for them to discover and use to touch the world. Just like our fingerprints, no one has yours...each fingerprint is totally special, yours alone. Everywhere you touch, you leave your personal mark, a bit of yourself stays through your fingerprint. During our time together at Tulalip STEM Week, we strive to give children opportunities where those gifts are discovered...their own unique "fingerprints" of talent, imagination, innovation, leadership and more! We want them excited about the road to discovering their special "fingerprint" and after that discovery, inspired to develop their in own special mark on the world!"

Higher Education

The Higher Education Department published a NEW High School Completion Brochure this summer, detailing information on obtaining a high school diploma.

The Higher Education Department would like to welcome our newest team member, Cody Reed. He has filled the position for the NACTEP Specialist. Cody will be recruiting and assisting students with registering for the NACTEP/Everett Community College classes held at the Tulalip College Center in Building C (360-722-1173).

Higher ED monthly programming:

See our website for updates. [https://www.tulaliptribes-nsn.gov/Dept/HigherEducation](https://www.tulaliptribes-nsn.gov/Dept/HigherEducation) The programs are usually in Rm 264 of the Administration Building.

- **Seattle University** — 9/17 @ 4-6 pm

Higher ED can be reached at 360-716-4888 or by email at highered@tulaliptribes-nsn.gov.

Felicia Stripling

Applications for the 2019-20 After School Program are available in Building F. If interested, call Dawn Simpson @ 360-716-4646 or 360-716-4901.

Homework Support has a new addition to their staff, Joe Boon. Joe will be working with students in grades 3-5. Come say hi to Joe and give him a hearty welcome. 😊

Through the Community Closet - Donation Rooms, we continue to help our tribal and community members by providing new clothing ... **FREE** of charge. “Delivering Goods of New York” has been donating the clothing to us for years.

If you are interested, call: Valda Gobin @ 425-870-4214.

“Nothing is IMPOSSIBLE, the word itself says, I’M POSSIBLE!”

– Audrey Hepburn
Curriculum & Engagement Department

Hello Tulalip. The new school year has taken off like a rocket. On August 26th, the Tulalip Tribal Sovereignty Curriculum (TTSC) group hosted a professional development day (PD) at Tulalip titled TTSC: Growing Our Leaders. 45 teachers from Marysville and Everett school districts participated in full day training at the Tulalip Admin Building. Workshops included Why TTSC? A lesson with Tulalip Language Warriors, Tulalip History, Survivance, & Revitalization, Education Today: Tulalip Student Perspectives and Experiences, and From Our Experts: a model lesson from our Native Teachers.

Next up for me is a tour of our partner districts and presenting our TTSC Work at NIEA’s 50th Annual Convention and Tradeshow. Stay tuned!

Marjorie James

Education Division

Welcome back to school! Tulalip Education is very excited to be starting a new school year and looking forward to supporting your academic and personal enrichment dreams. We had a nice summer and embarked on a Strategic Planning process that will help guide our work for the next 3-5 years. Over the course of this school year please be on the look out for more information on what our priorities and goals are in Education. We believe in our students and families and want to work hard to help you succeed and get the support you need. We strive to continue working on communication, access to programs and complete inclusion at our youth center. Don’t hesitate to reach out if you want to learn more about who we are and what we have to offer!

Rochelle Lubbers
 Executive Director of Education

DONATIONS NEEDED:
 TELA needs kids clothing to be donated. You can call Valda Gobin (425-870-4214) or Stephanie Pitman (360-716-4273).

Will you Succeed?
 Yes you will indeed!
