

PARENT REVIEWS

“It was wonderful to see our family come together, sharing the joy of the season. Having other families who understand the challenges of outings like this were a blessing”

“I want to thank the Family Haven IDD Program for all that they do for us as a community and most of all for being so supportive and taking the time to plan and make these events happen”

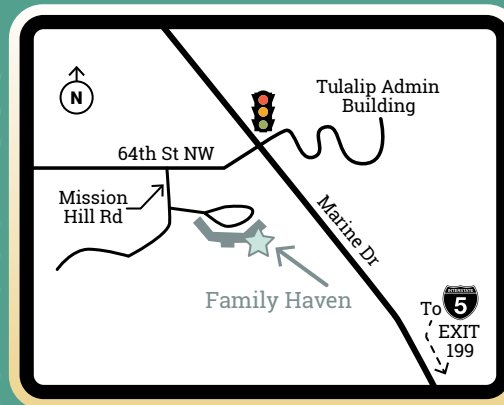

“Tulalip has wrapped us in so much love that it feels like we were always meant to be there”

“The gifts that the IDD Program have provided our family can never be measured and stretch way beyond this group. Thank you for your openness and inviting spirits”

“We are very grateful for the support, I would probably be going in circles, We will finally have a diagnosis/answers for my children”

IDD Support Services

For Ages Birth to 18
Years Old

What is IDD?

Intellectual
Developmental
Disabilities or Delays

WHO CAN JOIN

Enrolled Tulalip Tribal members and any other enrolled native in Snohomish County with suspected delays due to Intellectual and/or Developmental Disabilities (IDD). The preference list is as follows:

- Enrolled Tulalip Tribal Children birth-18 (on and off the reservation)
- Children born to enrolled Tulalip Tribal members who aren't enrolled
- Other native enrolled members that live in Snohomish County (Proof of tribal enrollment is required if requesting preference)

PARENT REQUESTS

Parents can request support and services through the Family Haven program by contacting the IDD Case Manager or Family Haven Manager. They can request assistance with:

- Applications for medical, financial, and tribal programs
- Connecting to ongoing resources
- Educational opportunities & trainings
- Tribal-led support groups for parents
- Playgroup activities and events
- Navigating SSI and support services
