

KATHERINE “MOLLY” HATCH SENIOR CENTER NEWSLETTER

Greetings beloved Elders,

As summer comes to an end and we welcome fall, I hope everyone stays safe and enjoyed these past few months of sunny weather.

The summer water distribution will run until the end of September. We know we have had some difficulties, and we have run out of water a few times. This was due to the lack of delivery drivers that vendors are facing in these times.

Please note the following dates:

- September 6th Closed for Labor Day
- September 8th Senior Bingo
- September 29th Senior Bingo

As we continue to battle COVID, we want to remind people that visit the center to mask up. We appreciate all who have been so understanding and have been helping keep everyone safe.

In closing, we would like to extend our heartfelt condolences to the families that have lost loved ones. Our prayers go out to our community for protection, strength, and comfort.

Please stay safe.

Sincerely,

Elishia Stewart

Tulalip tribes

Elder Services Director
