## The Tulalip Tribes Per Capita Minors Trust Federal Income Tax Withholding Election

Generally, the distribution(s) you receive from the Trust are subject to Federal Income Tax (FIT).

**The following percentage will be withheld from the taxable amount of your distribution balance for FIT, unless you make a different election below:**

\$12,000 - \$21,525	10% withheld
\$21,526 - \$50,700	12% withheld
\$50,701 - \$94,500	22% withheld
Over \$94,500	24%

### Election

Please withhold the following percentage of my Trust distribution: \_\_\_\_\_%  
(If you elect less than the percentage required above, your election will not apply.)

### Representation

I understand that I am responsible for the Federal Income Tax on my Trust distribution. I further understand that this election must be returned before the Trust distribution is made; otherwise, there will be withholding taken, dependent upon the amount of my distribution. Finally, I understand that I will be responsible for paying my Federal Income Tax and I may be responsible for filing an income tax return (and I will need to file a return for any potential refund of tax overpayment).

**Caution.** *There are penalties for not paying enough federal income tax during the year, either through withholding or estimated tax payments. Please see IRS Pub. 505 for an explanation of your estimated tax requirements and description of penalties in detail. You may be able to avoid quarterly estimated tax payments by having enough tax withheld from your distribution.*

**Statement.** *By January 31 of next year, the trust will furnish a statement to you on Form 1099-MISC, showing the total amount of your distribution and the total federal income tax withheld.*

### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

#### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
