Retail Sales Tax Exemption Certificate for Vehicles Sold to Enrolled Tribal Members by Auto Dealers

Do Not Return This to the Department of Revenue

Retail Sales Tax Exemption

There is a sales tax exemption provided when a motor vehicle, trailer, snowmobile, off-road vehicle, or other such property is sold to an enrolled Tribal member and delivery is made on the enrolled Tribal member's reservation/trust land (Indian country) in the state of Washington. To sustain this exemption, this form must be completed. However, additional substantiation/documentation may be required beyond this form to document actual delivery in Indian country as is required to sustain any exemption based on delivery point (e.g., interstate and foreign sales). Such additional documentation could be in the form of copies of gas receipts (from a gas station at or near the delivery point in Indian country), trip tickets, a photograph of the delivered vehicle at a landmark location in Indian country, etc.

B&O Tax

Sales of motor vehicles, trailers, snowmobiles, off-road vehicles, and other tangible personal property by non-Indians to enrolled tribal members in their Indian country are subject to the business and occupation tax under "retailing" unless one of the exemptions listed in WAC 458-20-192(7) applies.
