

WHAT CANNOT BE RECYCLED?

No Plastic Bags

Do not bag recyclables as materials inside may not get recycled. Reuse plastic bags, or learn where you can recycle them at plasticfilmrecycling.org

No Plastic Wrap or Film

Plastic wrap, bubble wrap, sandwich bags, and freezer bags should not go in the recycle bin.

No Tangling Items

"Tanglers" can wrap around equipment, endanger MRF workers, and shut down entire recycling centers. If they are still in good condition, donate them

No Bagged Recyclables

If you collect your recyclables in a bag, empty them directly into your cart and reuse the bag!

No Flexible Packaging

Flexible packaging like chip bags and juice or soup pouches cannot be recycled in curbside programs
