

Tulalip Tribal Members Vaccination Incentive Policy:

The Tulalip Tribes believe in the effectiveness and safety of vaccinating against Covid-19 and have offered vaccines to all employees and their households, community members and their households, and outside communities. We believe it is our responsibility to do our part, to help us get back to more normalized living and normal business operations, for the overall well-being of all, as quickly as possible. To safeguard the health of our employees, community, and our guests, and build herd immunity within our community, we are implementing this Vaccination Incentive Policy to give a stipend to all Tulalip Tribal Members over the age of 18 who have received full doses of either Moderna, Pfizer or Johnson & Johnson vaccinations.

ELIGIBILITY:

Every Tribal Member over the age of 12 years old, who has received both of their shots of Moderna, Pfizer or Johnson & Johnson, will be eligible to receive a one-time stipend of \$500.00. Tribal members who have previously received their vaccinations are eligible for this incentive.

PROCESS:

You must apply for funds and show proof of your vaccination by showing your vaccination card or certificate. The Tulalip Community Health Nurse will accept your application and verify that their records match the vaccination card.

If you do not have your vaccination card, the Community Health Program may check their records to ensure you have received vaccinations. Payment can be authorized by the Director of Community Health. Each applicant will need to sign a release for Tulalip Community Health to verify vaccination data. Community Health reserves the right to randomly check vaccinations. If it is found that fraudulent information is provided, the \$500.00 will be deducted from the Tribal Member's next General Welfare payment.

Tribal members will receive their payment the same way their General Welfare monthly payments are received. Youth payments will be mailed to the address on file. Tulalip Tribal Member payments will be General Welfare payments and will not be taxed. Tulalip Tribal Members applying for the incentive, who are also employees of any Tulalip Tribes entity, may only receive one stipend.

Application Dates: August 16, 2021 to October 29, 2021. This is a one-time-only incentive.

WHERE TO APPLY:

The application can be found at www.tulaliptribes-nsn.gov, COVID incentive form, or you can pick them up at the administration building's front desk. You can email your complete application and a copy of your vaccination card or certificate to: TulalipVaccineIncentive@tulaliptribes-nsn.gov

TULALIP TRIBAL MEMBERS VACCINATION INCENTIVE POLICY APPLICATION

Application Dates: August 16, 2021 to October 29, 2021
