Recap/Highlights:

- There were 0 reunifications in November
- There were 0 new dependencies filed
- beda?chelh's Child Welfare Services (CWS) is working with 34 total families (excluding EFC)
- There are 22 youth participating in Extended Foster Care (ages 18-21)
- There were no new guardianships established
- There are 163 families that have Tulalip children in Guardianship
- This month, beda?chelh licensed their first caregiver home through q*uli?ł, the beda?chelh licensing program.
- beda?chelh continues to host a bəlk*alig*əd support group and lunch, held the 3rd Tuesday of each month from 12-1pm. This is a safe space for Tulalip Tribal Members who were adopted, placed in foster care, or separated from their family to come together.
- Staff and Office of Reservation Attorney continue to work on the final redline draft for code amendments. Our goal is to have it ready for a community meeting in January 2026.
- Imagine a new child welfare system. Tulalip Tribes is a sovereign nation, we don't have to use the state model for child welfare. We will bring together a team of volunteers to develop an action plan to change our Tribal welfare system. Begin to imagine a new way. If you are interested in volunteering for the team, please contact Shelly Lacy.
