- Staff and Office of Reservation Attorney continue to work on the final redline draft for code amendments. Our goal is to have it ready for community meeting in December 2025.
- Staff and Office of Reservation Attorney are also working on updating the Intergovernmental Agreement and Foster Care Licensing standards, our goal is to license our first home by November 2025.
- Imagine a new child welfare system. Tulalip Tribes is a sovereign nation, we don't have to use the state model for child welfare. We will bring together a team of volunteers to develop an action plan to change our Tribal welfare system. Begin to imagine a new way. If you are interested in volunteering for the team, please contact Shelly Lacy.
