**RE: Tulalip Water Pipeline Project Segment 2
Notification of Construction – Temporary Noise Variance**

Dear Resident,

Reece Construction Company (Reece) will be performing essential operations on the Tulalip Water Pipeline Project Segment 2 to operate up to 48 continuous hours in mid May to mid June. The temporary noise variance is for work at the intersection of East Marine View Drive and 19th Street and will begin at earliest May 23, 2016 and at latest June 17, 2016. During the 48 hour period we are able to provide your residence overnight lodging at a nearby hotel without personal expense. Please contact our office at 360-659-9600 if you would like to make lodging arrangements.

Additionally, the City of Everett noise complaint line for citizens to call is 425-257-8775.

Thank You in Advance for your Cooperation,

Reece Construction Company

Everett, WA 98201

**RE: Tulalip Water Pipeline Project Segment 2
Notification of Construction – Temporary Noise Variance**

Dear Resident,

Reece Construction Company (Reece) will be performing essential operations on the Tulalip Water Pipeline Project Segment 2 to operate up to 48 continuous hours in mid May to mid June. The temporary noise variance is for work at the intersection of East Marine View Drive and 19th Street and will begin at earliest May 23, 2016 and at latest June 17, 2016. During the 48 hour period we are able to provide your residence overnight lodging at a nearby hotel without personal expense. Please contact our office at 360-659-9600 if you would like to make lodging arrangements.

Additionally, the City of Everett noise complaint line for citizens to call is 425-257-8775.

Thank You in Advance for your Cooperation,

Reece Construction Company
