

## Savvy Septic Loans

Snohomish County's Savvy Septic Program offers low-interest loans through Puget Sound Cooperative Credit Union (PSCCU) to assist county homeowners with the cost of septic system repairs, replacement, maintenance, drainfield repairs, and more.

The loan program can help with a variety of on-site septic system projects, such as:

- Design for system repair or replacement
- Permit fees
- Drainfield repairs or replacement
- Tank replacement
- System upgrades
- Routine maintenance
- Connection to sewer

## Affordable Financing for a Healthy System

PSCCU understands that septic system repair and maintenance costs can be challenging. This loan program will help Snohomish County homeowners extend the life of their septic systems or replace a failing system.

Loan features include:

- Terms up to 15 years
- Loan amounts up to \$50,000\*
- Low rates\*- fixed for the life of the loan
- No pre-payment penalties
- Flexible re-payment options

\* All loans are subject to approval. Rates and loan amounts are based on term and credit score. Rates are subject to change without notice. Contact PSCCU or visit [www.pscu.org](http://www.pscu.org) for current rates.

## About Savvy Septic

The Savvy Septic Program is your one-stop-shop for financing options, incentives, and education to help you maintain a healthy septic system. Low-interest loans, rebates, and grants to help keep your system functioning properly are available. The program also offers free homeowner workshops on septic maintenance.

This Snohomish County program is a partnership with the Washington State Department of Ecology and PSCCU. Together, we're keeping our water clean by helping Snohomish County residents become Savvy Septic owners.
