Coastal JAM 2026

Wednesday, November 4 AT 5:30PM

LOCATION CHANGE

EVENT WILL NOW BE HELD AT THE
Don Hatch Youth Center

We would like to welcome home our Tribal members who may have been adopted, placed in foster care, separated from family, or cared for by relatives.

During the Coastal Jam, we invite you into the circle, welcome you home, and wrap you in a blanket as a symbol of belonging, connection, and community.

We also invite those who were welcomed home during the 2025 Season of Healing ceremony to join us in welcoming home our relatives this year.

A main dish and side will be provided. We invite everyone to bring a favorite dish to share.
